Abrasive grit is bonded directly onto the foam, like Trim-Tex sanding blocks

Easily sand into corners without scuffing your walls

¼" denser foam for a smoother finish

Same great quick change system

New stock numbers • More pieces per box • Same price per piece

Instructions: The 540 Pro Sanding Tool has a quick change system that allows you to switch sanding grits/pads in one easy step. Our innovative "Hook and Loop" technology has the hooks molded right into the tool. Simply grab one of Trim-Tex's 540 Pro Sanding Pads, and place the loop side right onto the bottom of the sander.

Now you can sand wide seams and inside corners with one easy tool. With our 60% larger sanding area, sanding has never been easier.
